

Letter of Authorization

To: Applicable Electric Utility Company and/or Licensed Electric Generation Supplier

Please be advised that _____ (client) with headquarters located at _____ has selected Chrislynn Energy Services, Inc. (CESI) to act as exclusive agent to obtain supplier pricing for the attached account(s). This letter authorizes Chrislynn Energy Services, and any other Licensed Electric Generation Supplier that they request, to obtain my historical energy usage history and other account information for these locations.

This authorization in no way binds me to the purchase of any service or product from Chrislynn Energy Services or any Licensed Electric Generation Supplier and is to be used for the sole purpose of determining an offer price for electric generation supply.

This Letter of Authorization will remain in effect until canceled by either party upon 90 days written notice.
